

Pet Waiver

To ensure all guests have a safe and happy stay, there are a few rules that apply to your pet:

- You must register your pet at check-in and provide the park with this signed waiver and pet's registration certificate. Arrival with additional pets or different pets on check-in may result in the booking not being honoured and forfeiture of all monies paid.
- Pets must be healthy and free of parasites e.g. worms and fleas.
- Pets are not permitted inside accommodation unless otherwise stated (Pet – Friendly Cabins)
- Pets must be kept on a lead at all times while within the park.
- Pets are not permitted in the communal areas (including reception, camp kitchen, amenities, BBQ areas, playgrounds and swimming pools) for health and safety reasons.
- Do not use communal laundry facilities, including sinks, to wash your pet or its bedding.
- To ensure the right to quiet enjoyment is maintained for all guests please restrict excessive noise.
- Please make sure you clean up after your pet. Mess must be cleaned up immediately and disposed of in the appropriate bins.
- No pet is to be left unattended including in caravans, tents or trailers at any time.
- Your pet must be supervised by you at all times.
- Please ensure that you comply with the park rules regarding kangaroos and other wildlife and do not allow your pet to approach or interact with these animals within the park.

Please remember that not everyone is comfortable around pets. Your pet must be walked in the designated pet walking area where one is provided, if the park does not have a designated pet walking area you may walk your dog throughout the park as long as it is on a leash at all times and excludes the above mentioned communal areas. To ensure respect and consideration of all guests staying with us, we ask that our pet policy rules be adhered to. It is your responsibility to control and manage your pet.

If the park manager reasonably considers that you have not complied with this policy or your pet acts in any way considered to be aggressive, dangerous, destructive and impacts unnecessarily on the welfare of other guests, park managers reserve the right to ask you to vacate the park and terminate your stay, in which case you will not be entitled to any refund.

You are liable for and will indemnify NRMA Parks & Resorts against all loss and damage (including without limitation property damage and personal injury) directly or indirectly arising out of or related in any way to the conduct, acts and omissions of your pet. NRMA Parks & Resorts reserves the right to apply all fees and expenses associated with any such loss and damage to your account

You fully and finally release and discharge NRMA Parks & Resorts from any liabilities, claims, demands, suits, actions, rights, entitlements, costs or expenses that you may have or incur directly or indirectly arising out of or related in any way to your pet.
